HOW IT WORKS ONLINE

Terms & Conditions

The main points for the terms & conditions and where to find the full list.

- The hire period is deemed to start from 9am on the Function Date which is when we agree to have your garments ready for collection.
- We will hire to you the garments detailed on your order form as long as they are within the size range available.
- We reserve the right to substitute to the nearest size as detailed in our full Terms & Conditions.
- You must call the store of collection to confirm that your order is in the store and that there have been no unforeseen delays in the delivery of your order prior to you travelling to the store for any fitting appointments.
- You must attend the store of collection and try on ALL garments to ensure they fit.
- If the fit is not satisfactory you must report this to us immediately.
- If garments do not fit satisfactorily, or have any other fault, further visits to the store of collection will be necessary.
- All replacements must be inspected and tried on by you (or other members of your party if applicable) at the store of collection.
- You will be responsible for and we shall have no liability for your own expenses incurred during this fitting and collection process-even if the garment has a fault.
- We will have no liability for any costs, expenses, losses or damages incurred or suffered by you or for timely delivery of the hired garments as a result of your failure to comply with any of the above requirements.
- When you have had fittings and any necessary replacements have also been tried on and found to be satisfactory the outfit is then deemed to be available for collection.
- You must inform the store of collection, when placing your order, if the outfits are required before the Function Date and it is your responsibility to ensure that this is stated on your order form. We will not be liable for any collection of garments before the Function Date unless this is stated on your order form. Charges apply for earlier delivery.
- The total hire charge is payable on the date agreed for collection of the garments as set out on the order form.
- You are responsible for the safe return of all hired garments in an undamaged condition.
- All garments must be returned by the Return Date stated on the order form. Failure to do so will result in an excess charge of £10 per suit per day after the stated return date.
- If you fail to return any hired garments we will pursue the return of all garments and all monies owing.
- Please take particular care with top hats. Under no circumstances should they be thrown in the air.
- Payment of Accidental Damage Waiver (ADW) by you covers any charges that would normally arise following accidental damage to any or all of the garments provided that they were being used appropriately (with the exception of top hats, which are NOT covered by the ADW).
- ADW does not cover garments which have in our opinion been damaged through inappropriate use and lost or stolen garments.
- Please remember that any personal insurance you may already hold does not cover the garments owned by us.
- We reserve the right to charge you for any accidents and you will be responsible for the replacement cost of any garment which is lost, stolen or returned damaged (unless covered by our ADW).
- In any event our liability is limited to the full hire cost of the order in connection with which any claim or potential claim relates.
